Clowvazar Academy Fall 2014 Supply List Year-Round Supply List

Dear Parents,

Please keep in mind that the folders and other supplies will be put into a pile and redistributed to the students as needed; we will pay no attention to the original owners for such items.

NOTE: Please encourage your students to clean out their backpacks before the beginning of the semester.

NEW RULE: Students are not allowed to bring more than one toy to school. Elementary students are no longer allowed to bring electronics to school (phones are acceptable, but must be put away). Remember to please alway park when dropping off your student.

If students enroll in the year-round program, the remaining supplies will need to be purchased according to the Year-Round Supply List.
